Sports Reporter

Street Address

Dear Mr./Ms.:

I am writing to express my interest in the sports reporter position that was posted. The opportunity to work for a company with the creativity and dedication to storytelling of this one piqued my interest to apply for this job. The coalescence of my experience in the industry and the company's values will be a stimulating experience for both parties.

Working for Tiger TV provided me with the unique experience of covering sporting events and press conferences hands on. It allowed me to understand what it's like to work the sidelines during games as a media personnel, gain experience with cohosting a live gameday show, filming and editing PKGs, as well as much more. I believe everyone should find their passion in life and if possible, make a career out of it, that's exactly why I know this is the only industry for me.

I am well organized, detail oriented and committed to meet any demands of working in a fast-paced environment. I have strong analytical, research and time management skills which prove useful during conflicting demands. Thank you for taking the time to review my resume, I will be calling you to follow up and see if an interview can be arranged.
